I agree to abide by all rental rules of Lafayette Aviation Inc., as described in the "Rental Agreement," which I signed. * Including the MINIMUM daily rental requirement on 2.5 hours per day. (First Day is considered the first 12 hours the aircraft is away.) I further agree to notify Lafayette Aviation of any changes or delays in the above-specified trip. I also agree to pay all fees associated with me flight, i.e. landing, parking, de-ice, hangar, ect. I will return said aircraft in the same condition as which I am taking it, normal wear expected.

I understand if I fail to return the aircraft to Purdue University Airport for any reason other than mechanical, including weather, I will be charged for the cost of transporting a pilot to the aircraft, for the rental time of the aircraft, and for the pilot's time in the ferry aircraft. Lafayette Aviation does its best to offer a well-maintained fleet of aircraft to its customers, but aircraft are mechanical and they may break on the road. If this occurs Lafayette Aviation will incur all the costs associated with the maintenance of the aircraft. Lafayette Aviation will do its best to retrieve the pilot in a timely manner, but if any expenses such as rental cars, hotel, and meals are incurred they are at the renters expense. If you have a problem on the road please notify us ASAP at 1-877-435-9524.
